Material Safety Data Sheet

Quikclean Waterless Shampoo

WW MSDS No. 00191041

Section 1. Product and Company Identification

Manufactured/ Supplied by	Fort Dodge Animal Health 800 5th Street NW P.O. Box 518 Fort Dodge, IA 50501 Phone: 515-955-4600 Fax: 515-955-9149
Product Trade Name	Quikclean Waterless Shampoo
Common Name	NA
Synonyms	None.
Chemical Formula	Not available
Chemical Family	Veterinary Product.
Material Uses	Veterinary Product - waterless shampoo for animal use.
Packaging	Plastic bottles.
Formula Type	Liquid.

Date of Preparation	**15 May 2002**
Product No.	00191041
Formula No.	Mixture
CAS No.	Mixture
U.N. No.	NA - Mixture
EINECS No.	NA
In Case of Emergency	515-955-6033

Section 2. Composition - Information on Ingredients

Name of Ingredients	CAS No.	Conc.	EU Symbol	R Phrase
1) Conditioners and lanolin. All ingredients are considered nonhazardous.	Mixture	100%		

Section 3. Hazards Identification - Summary of Primary Effects and Critical Hazards

Acute Health Effects	Adverse health effects are considered unlikely when the product is administered according to label directions. May cause gastric upset if ingested, and may be slightly irritating to the eyes.
Chronic Health Effects	None known.
Environmental Hazards	None known.

Section 4. First Aid Measures - (by medical responders using "Universal Precautions")

Eye Contact	Flush with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids.
Skin Contact	Wash contaminated skin with soap and water.
Inhalation	Inhalation of product during normal use is considered unlikely. If inhaled, remove victim to fresh air and seek medical attention.
Ingestion	Get medical attention. Provide product label to physician.
Notes to Medical Doctor	Direct treatment at control of symptoms.

Section 5. Fire-Fighting Measures

Extinguishing Media and Instructions	Aqueous solutions are non-flammable. Use extinguishing media suitable for surrounding materials.
Special Exposure Hazards	Dispose of fire debris and contaminated fire fighting waterin accordance with official regulations.
Special Fire Fighting Protective Equipment	Full fire-fighting attire and approved certified self-contained breathing apparatus worn only by qualified persons.

Section 6. Accidental Release Measures

Small Spill Guidelines	Absorb with an inert material and place in an appropriate waste disposal container.
Large Spill Guidelines	Absorb with an inert material and put the spilled material in an appropriate waste disposal. Dike liquid for later disposal.
Environmental Precautions	No special measures are typically indicated.

Section 7. Handling and Storage

Handling (ventilation and fire prevention)	No special precautions are necessary if used as intended.
Storage (conditions and limitations)	Keep out of the reach of children. Do not reuse product container.

Section 8. Exposure Controls and Personal Protection - (normal and intended use)

Exposure Guidelines

Component	REG. Limit	OSHA (PEL)	ACGIH (TLV®)	Company Guideline
No hazardous ingredients				

Engineering Design and Control Measures	No special ventilation requirements are indicated for using this product.
Protective Clothing	
Eyes	Safety glasses.
Skin	No special measures are typically indicated.
Hands	No special measures are typically indicated.
Respiratory	No special measures are typically indicated.

Section 9. Physical and Chemical Properties

Physical State and Appearance	Liquid	**Odor**	Shampoo odor.
Molecular Weight	Not available.	**Color**	
Boiling Point	Not available.	**pH**	Neutral
Melting/Freezing Point	Not available.		
Density/Bulk Density	Not available.		
Vapor Pressure	Not available.		
Vapor Density	Not available.		

Continued on Next Page

Viscosity	Not available.
Partition Coefficient	Not available.
Solubility	Water soluble.
Flash Point	NA
Autoignition Point	NA
Explosion Limits	NA
Dust Explosivity	NA

Section 10. Stability and Reactivity

Conditions to Avoid and Incompatibility	The product is stable.
Decomposition Products	carbon oxides (CO, CO2) nitrogen oxides (NO, NO2...)

Section 11. Toxicological Information

Acute Effects

Component	Test	Result	Route	Species
No hazardous ingredients				

Eye Contact	Mildly irritating to the eyes.
Skin Contact	Practically non-irritating to the skin.
Inhalation	Product is not considered to be hazardous through inhalation.
Ingestion	May cause gastric upset if ingested.

Chronic Effects

Target Organs	None.
Adverse Effects Statements	None.
Sensitization	Non-sensitizer.
Carcinogenic Effects	None.
Mutagenic Effects	None.
Teratogenic Effects	None.
Reproductive Effects	None.
Other Effects	None.

Section 12. Ecological Information

Environmental Fate	Biodegradable
Environmental Hazards	None known.
Ecotoxicity	

Component	Species	Period	Result
No hazardous ingredients			

Other	NA

Section 13. Disposal Considerations

Waste Handling and Disposal	Avoid disposal, make attempts to use product completely in accordance with intended use.

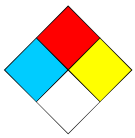
Note: The waste generator must be informed of and follow all applicable rules and regulations for the handling and disposal of waste.

Section 14. Transport Information

Proper Shipping Name, Primary Class, UNNA Number, Pakaging Group	Not regulated
ADR/RID Classification (Road and Rail Transport)	Not controlled under ADR of the EEC.
ADNR Classification (Inland Waterways)	Not controlled under ADNR (Europe).
IMO/IMDG Class (Maritime Transport)	Not controlled under IMDG.
ICAO/IATA (Air Transport)	Not controlled under IATA.
CEFIC Tremcard	NA
U.S.A. DOT Class	Not a DOT controlled material (United States).
RQ	NA
Packaging Intructions	Do not reuse product container.

HI Kemler

NFPA



Section 15. Regulatory Information and Warning Labels

(R) Risk Phrases	NA
(S) Safety Phrases	NA

NOTE: This product has been classified in accordance with applicable country-specific regulations.
