Library Workshop: Introduction to CINAHL

This workshop will demonstrate the basics of searching and navigating through the CINAHL database to find allied health literature. You will learn how to search using multiple terms with limits and how to manage results.

Pumerantz Library teaching lab (2nd floor, room 211)
Tuesday, September 19, 2006
3-4 pm
Limit of 12 persons

Reserve a seat by calling 909-469-5323 or email reference@westernu.edu

Facilitated by Alicia Saulpaugh, Reference Librarian

September 18, 2006

Library Workshop: PubMed in 1 hour or less

In this workshop you will be shown how to perform a basic search in PubMed. You will also be shown how to use the tools provided with PubMed. This will be followed by a brief question and answer session.

Facilitated by Rudy R. Barreras, Reference Librarian

Pumerantz Library Teaching Lab (2nd floor, room 211)
Wednesday, September 20, 2006
4-5 p.m.

Limit of 12 seats, walk-ins welcome if space allows. Reserve a seat by calling 909-469-5323 or email reference@westernu.edu

September 28, 2006

National Medical Librarians Month is October 2nd - October 31st.

In celebration of National Medical Librarians Month the Harriet K. and Philip Pumerantz Library has a series of events scheduled for the month of October. To kick off the celebration we will have a month-long scavenger hunt event. The scavenger hunt will run from October 2nd to October 31st. For on-campus students, scavenger hunt forms will be available at all library public service desks. For our distance and rotation students an email form will be available upon request. Please email that request to reference@westernu.edu. All entries that answer all 5 questions correctly will be entered into a drawing for a \$100 gift card for Barnes & Noble.

All entries must be submitted by 8pm on October 31st
Winner will be announced on November 2nd

Only currently enrolled Western University students are eligible to participate.

Fine Free Fourth!

Return your overdue materials between the hours of 7am- 10:45pm on October 4th, 2006. The Circulation Department will be forgiving fines on overdue books returned that day.

Workshop Wednesdays

Beginning Wednesday October 11th, the Library's Reference Department will be conducting a lecture series called Workshop Wednesdays. A raffle prize will be given out at each workshop. There is a limit of 12 seats

per workshop. If you would like to reserve a seat, please call 909-469-5323 or email reference@westernu.edu . Walk-ins are welcome if space allows. Workshops will be held in the Teaching Lab, room 211, on the second floor of the library.

Wednesday, October 11, 2006
4:00 -5:00 pm

Advanced PubMed- Using MyNCBI:
Learn how to effectively use PubMed's MyNCBI. MyNCBI is a tool designed to save and update searches as well as a customization tool for PubMed. Also shown will be Preview/Index tool, and Send To RSS.

Wednesday, October 18, 2006
3:00-4:00 pm

Searching UpToDate:
This hour-long workshop will teach you how to do basic and advanced searches for evidence-based topic reviews using the UpToDate database. Additional features of this database, including the Lexi-Interact drug interactions program, medical calculators, and ECG tests, will be discussed.

Wednesday, October 25, 2006
5:00-6:00 pm

GOT PDA?
Explore the world of PDA (Personal Digital Assistant) in medicine. We will give a quick overview of the different software options and the basic functions that are generally used in the clinical setting. Check out the many resources for finding software and applications you can download today.
