SAFETY TIPS FROM BRETT BOSTON – PARKING AFTER HOURS

A reminder to students and employees that stay late: When the parking lot thins out, usually around 4:00 p.m., relocate your vehicle to a location closer to where you are working. Security officer escorts are available by calling extension 3000 and speak with a security officer. Please keep in mind that they may be occupied with other escorts or duties, but will help you shortly. A little precaution goes a long way and is worth the wait.
