

**COLLEGE OF VETERINARY MEDICINE
WESTERN UNIVERSITY OF HEALTH SCIENCES**

**FAMILY HARDSHIP
REQUEST FOR CHANGE DISTANT COURSE ASSIGNMENT**

CVM Policy on Hardship:

Requests for "assignment of hardship" will be based on family hardship documentation. Students will have an opportunity to "bid" for a site change if all information is included in the request. Hardships associated with maintaining care of a child or another human dependent (such as a spouse, parent, etc) during a distant (i.e. beyond 60 mile radius) course absence will be accommodated by the college through the establishment of a nearby site. The application process for hardship request will be made available to students before the end of the 4th semester of the DVM program. Hardship course adjustments will not be approved for animal dependents or vehicular problems. Students are encouraged to arrange for their pets' care while they are at distant course and arrange for carpooling, if necessary.
