Clinical Preceptor Evaluation of Third year Student Equine Practice courses

Proficiency rating: The following categories are used to evaluate student's performance **at the end of the two-week course:**

1-Rarely: Very problematic, area of grave concern. Performance is consistently poor for a 3rd year veterinary student.

2- Occasionally: Performance needs improvement. Student has not yet gained personal command of the skill.

3- Most of the time: Performance of skill meets requirements: it is a good, solid performance, done most of the time as normally expected of a 3rd year student.

4- Almost always: Performance of skill often exceeds expectations, is consistently excellent (i.e. above average) for a 3rd year veterinary student
