Notices: When the Admissions Committee evaluated your application, they considered all in-progress/planned coursework (both prerequisite and non-prerequisite courses) as well as any degree in progress when they made their decision. Any change in your plans must be submitted to the Committee for review and approval. If you do not finish your planned degree or coursework as listed on your application, your admission could be affected. Prospective students are expected to act with honesty, forthrightness, and integrity throughout the admissions process. It is expected that all applicants will submit accurate information in the ADEA AADSAS and the WesternU secondary application. Violation of the ADEA Applicant Code of Conduct may result in the suspension of the application and/or other actions, including rescission of your admission to dental school, or the possibility of dismissal from the College of Dental Medicine, if enrolled. Admission to WesternU is contingent upon receipt of all requested information, transcripts, and deposits in accord with the deadlines indicated.
