

## WESTERN UNIVERSITY OF HEALTH SCIENCES

### *Doctor of Physical Therapy Program*

---

---

Thank you for your request for information/application to the Doctor of Physical Therapy program.

The purpose of the Academic Worksheet is to ensure that all prerequisites have been met or will be met by the end of the spring semester/quarter prior to matriculation (August).

If you would like to have your coursework evaluated, please complete the pre-evaluation worksheet as soon as possible and return to the Admissions Office. If you do not meet the prerequisites, or if there is a question regarding a course you have taken, you will receive a written evaluation/explanation.

Complete all the information requested. Please list the department, exact course number and title, college or university where taken, number of units assigned to each class, and the grade earned in each class (refer to the sample form). You may use another sheet to list additional courses you feel will meet our prerequisites. **If the course title does not match the prerequisite, you must provide a course syllabus for review.** You may submit unofficial transcripts with the Academic Worksheet.

All information provided on the academic worksheet will be verified for accuracy when the application is received. The admissions office is not responsible for errors or inaccuracies made by the applicant on the academic worksheet.

Academic worksheets are evaluated from March through September. **Please allow five business days for a response.**

**Email the completed Academic Worksheet to:**
