

Western
University
OF HEALTH SCIENCES

The discipline of learning. The art of caring.

Master of Science in Physician Assistant Studies Program

We have provided the attached worksheet for two reasons:

1. To help you organize the courses you have taken according to our prerequisites and to manage the task of completing all our course requirements.
2. To help you determine whether a specific course will satisfy our requirements.

Please list the department, exact course number and title, college or university where taken, number of units assigned to the class, and the grade earned in the class. You may use another sheet to list additional courses you believe will meet our requirements. You **must include a course syllabus** for each course that is not listed currently in our Prerequisite Database. To obtain this information, go online or contact the admissions office/registrar's office at your undergraduate institution(s) and request a copy of the syllabus for the year(s) in question.

All information provided on the academic work sheet will be verified for accuracy when the application is received, and a final evaluation will be made at that time. You will be notified in writing of the results of our evaluation within three weeks of our receipt of the completed worksheet. **Please provide your name, telephone number, and e-mail address so that we may contact you with any questions.** **NOTE:** Academic worksheets will not be reviewed during peak application processing time; September through March. If your worksheet is received during this time, it will be held until April at which time we will be happy to respond to your questions.

Please allow five business days for a response.

Email the completed Academic Worksheet to:

admissions@westernu.edu

Master of Science in Physician Assistant Studies Program

ACADEMIC WORKSHEET

(Pre-evaluation of Prerequisite Course Work)

Required Courses	Name of Institution (Try not to abbreviate)	Dept code	Course Number	Complete Course Title	Term/ Year	Units (Sem=S or Quart=Q)	Grade (or IP)
Example:	Freeway University	CHE	101	General Chemistry	F00	4Q	A-
College English ¹							
English Composition ¹							
College Algebra ²							
Human Anatomy ^{3, 8, 9}							
Human Anatomy Lab ^{3, 8, 9} <u>Only if not included with lecture</u>							
Human Physiology ^{3, 8, 9}							
Human Physiology Lab ^{3, 8, 9} <u>Only if not included with lecture</u>							
Microbiology ^{8, 9}							
Microbiology Lab ^{8, 9} <u>Only if not included with lecture</u>							
Genetics ⁸							
General Chemistry I ^{4, 8, 9, 10}							
General Chemistry II ^{4, 8, 9, 10}							
General Chemistry III ^{4, 8, 9, 10}							
General Chemistry I Lab ^{4, 8, 9, 10} <u>Only if not included with lecture</u>							
General Chemistry II Lab ^{4, 8, 9, 10} <u>Only if not included with lecture</u>							
General Chemistry III Lab ^{4, 8, 9, 10} <u>Only if not included with lecture</u>							
General Biology I ^{8, 10}							
General Biology II ^{8, 10}							
General Biology III ^{8, 10}							
Organic Chemistry or Biochemistry ⁸							
Medical Terminology							
Psychology ⁵							
Sociology ⁶ or Cultural Anthropology							
Humanities I ⁷							
Humanities II ⁷							
Humanities III ⁷							
Introductory Statistics
