

# Linking to the library in Google Scholar

1. Access the Google Scholar settings at [https://scholar.google.com/scholar\\_settings](https://scholar.google.com/scholar_settings), or by clicking on the Google Scholar menu icon  and selecting "Settings"
2. Select "Library links"
3. Search for either "WesternU" or "Harriet K. and Philip Pumerantz Library"
4. Select the library
5. Click "Save"

Search results

2 **Library links**

3

e.g., *Harvard*

4  Harriet K. and Philip Pumerantz Library - Find It @ WesternU

Online access to library subscriptions is usually restricted to patrons of that library. You may need to login with your library password, use a campus computer, or configure your browser to use a library proxy. Please visit your library's website or ask a local librarian for assistance.
