Glaucoma Symposium

CONTINUING EDUCATION

Sunday, June 3, 2018

**EARN 6 HOURS OF LIVE
COPE APPROVED
CONTINUING EDUCATION**

9:00 a.m. – 4:00 p.m.

Snacks and Lunch Included

**Imaging of the eye: Life
with advanced gadgets**

1 CE Credit Hour

**Clinical Diagnosis and
Management of Glaucoma**

2 CE Credit Hours

**Advances in Imaging of the
Eye – OCT-Angiography**

1 CE Credit Hour

**Nutrition and the Eye I:
Anterior Segment**

1 CE Credit Hour

**Nutrition and the Eye II:
Posterior Segment**

1 CE Credit Hour

**Western University of Health Sciences
HEC Bldg, 701 E. 2nd Street,
Pomona, CA 91766**

Early bird registration by April 30, 2018

\$100 (\$50 savings)

Registration after April 30, 2018 \$150

To register visit <https://westernuglaucomasympposium.eventbrite.com>

Speaker: Pinakin Davey, OD, PhD, FAAO

Dr. Pinakin Gunvant Davey, Professor at Western University of Health Sciences, College of Optometry, received his Bachelor of Science in Optometry from the Elite School of Optometry, India (1999). He received his PhD from Anglia Ruskin University in Cambridge, England, in the area corneal measurements and its influence on glaucoma (2003). His post-doctoral research fellowship was on improving imaging techniques in glaucoma at the University of Louisville (2003-2006). He graduated with his Doctor of Optometry from Southern College of Optometry (2010). He is a fellow of the American Academy of Optometry since 2003 and member of Optometric Glaucoma Society since 2006. Dr. Davey's primary research interests are in the area of glaucoma, particularly improving diagnostic abilities and clinical management of patients.

Dr. Davey has authored over 40 journal publications and book chapters, and has given over 100 conference and invited presentations both nationally and internationally. Dr. Davey is a reviewer for over 15 journals in the fields of ophthalmology, optometry and biomedical sciences.
