The goal of this program is to assist California optometrists in becoming glaucoma certified pursuant to CCR section 1571. Completion of the 16-hour Grand Rounds Program is equivalent to prospectively treating 15 individual patients for 12 consecutive months. The 16-hour Grand Rounds Program will count for part of the 25 patient Case Management Requirement. This is a 2 day program.

For additional information please contact  
[ceoptometry@westernu.edu](mailto:ceoptometry@westernu.edu) or 909-706-3493.
