

Development of a longitudinal course that emphasizes preparation for the COMLEX Level 1 licensing exams

Colleen Talbot¹, PhD, Gerald Thrush¹, PhD, Edward Barnes¹, MD, Jesus Sanchez¹, DO, Edward P. Junkins^{1,2}, MD, MPH

¹Western University of Health Sciences, College of Osteopathic Medicine of the Pacific (COMP and COMP-NW); ²UC Berkley

Western
University
OF HEALTH SCIENCES

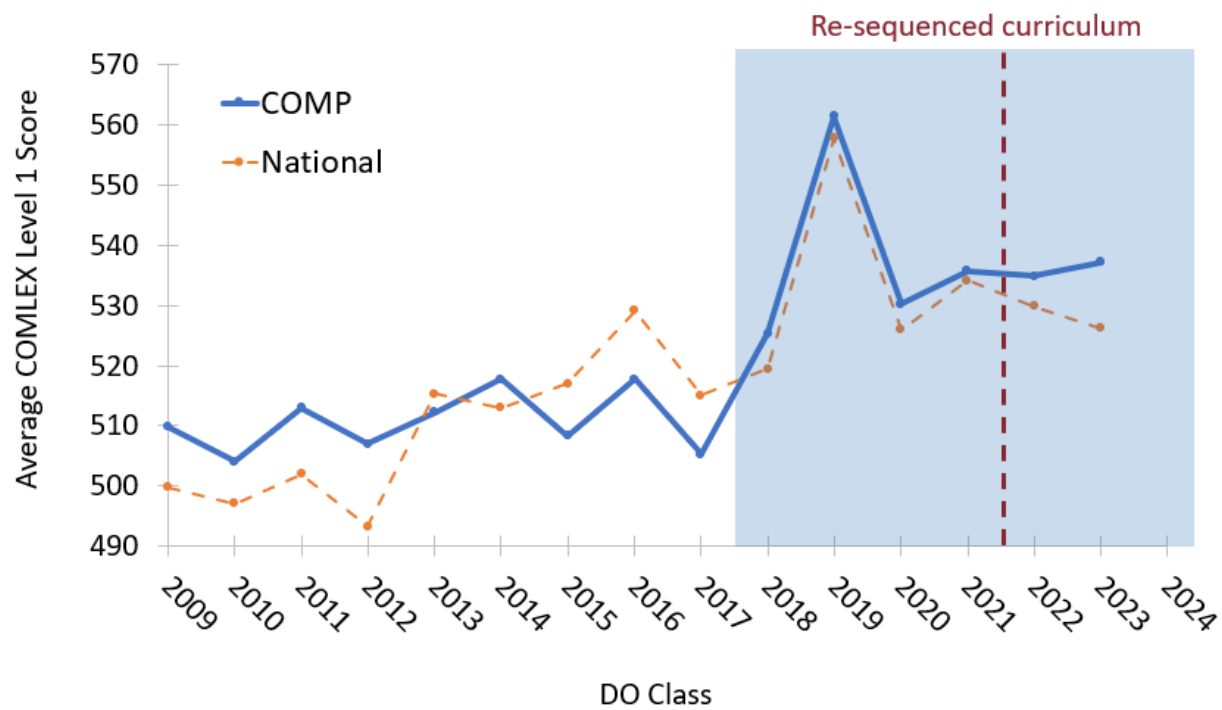

What we do in the Longitudinal Courses

- **Individual/group practice exams**
 - once per semester
- **End of semester exams**
 - retired NBME questions
 - COMSAE (end of 2nd semester)
- **Required board resources**
 - Kaplan → Boards & Beyond
 - Kaplan → COMBank
 - UWorld
 - Pathoma
 - Sketchy Medical
- **Required presentations on board prep**
- **Board advising**
 - board assistance task force (BATF)
 - trained faculty advisors
 - monthly meetings and discussions
 - required meetings with students
 - 3rd and 4th semesters
 - as requested by students
 - coordination with office of OSA and BATF to guide at-risk and off-track students
