FEATURED SPEAKER

Daniel Kraft, MD

Catalyzing the Future of Health and Medicine: *What's Next?*

What Does the Future of Medicine Hold for Us?! The Western University of Health Sciences (WesternU) College of Pharmacy is proud to present our distinguished speaker, Dr. Daniel Kraft MD, for its 17th annual Ray Symposium on April 27, 2023 at 3 PM PDT! Dr. Kraft is a prolific presenter on the future of medicine and healthcare and has been invited as a keynote speaker in many health-related professions conferences including the American Pharmacists Association (APhA) and American Association of Colleges of Pharmacy (AACCP) annual conferences in the past. Dr. Kraft is a world class speaker having conducted numerous TED talks and is a well published author in top journals including Nature and Science. Dr. Kraft is a Stanford and Harvard-trained physician-scientist, inventor, entrepreneur, and innovator and serves as the Chair of the XPRIZE Pandemic & Health Alliance Task Force. Please be sure to tune in to his exciting lecture to listen to his answers to the above questions. **Presentation is virtual via zoom on April 27, 2023, 3PM PDT!**
