

Background Check instructions

Background checks must be completed on or after March 1, 2023, and they are due no later than June 1, 2023. Background checks received prior to March 1st may require an additional screening at your cost.

- Go to www.mystudentcheck.com and select WesternU – College of Podiatric Medicine – New Student.
- Complete all required fields as prompted and hit “Continue” to enter your payment information. For your records, you will be provided a receipt and confirmation page.
- For any other questions, please check out their [FAQ page](#) or contact PreCheck, Inc. at (800) 203-1654 or StudentCheck@PreCheck.com.

IMPORTANT NOTICE:

Like with any other types of legal violations, it is your responsibility to check that you meet the DPM licensing requirements of the state wherever you intend to practice. Certain states will allow you to practice with violations, but other states may not, so before school begins, please make sure to look into the requirements of each state you intend to practice in. Additionally, please note that you may not be eligible for all CPM clinical rotations depending on your legal violations.
