Embrace A No Judgments Philosophy

POSITIVITY

We are nurturers: we seek only to encourage, entertain, and empower.

INCLUSIVITY

Here we keep open minds. There is no one type or way in our diverse community. Come as you are!

FUN

We know serious fitness is hard, but that doesn't mean it can't be an edge-of-your-seat, can't-get-enough, look-forward-to-your-workouts party.
