# Next Steps

The following are important next steps for you to complete, if you haven't already. Please pay close attention to deadlines. Missing a deadline will result in the delay of your registration and/or financial aid, and in extreme cases, may result in the termination of your seat in the class of 2030.

Please refer to the DVM Admitted Student Web Page for all documents and forms:
***https://www.westernu.edu/veterinary/programs/doctor-of-veterinary-medicine/admitted/***
Here you will find important links and downloads necessary to secure your seat in the class.

☐ Accept your offer of admission by submitting your non-refundable $500 acceptance deposit.

You will find instructions for submitting the deposit on your **Application Status Page**.

- Your acceptance deposit is due on the date indicated on your application status page.

The following **must be received no later than June 1, 2026**

☐ Official transcript(s) showing the satisfactory completion of all coursework & degrees.

- If official Spring transcripts are not yet available, please submit an **unofficial grade report** (found on the Admitted Student Website) for each Spring prerequisite course in progress, or a letter from the registrar for each degree in progress.
- All final, official transcripts must be received prior to registration.

☐ All prerequisite courses must be completed with a grade of "C" or higher by the end of the Spring 2026 semester/quarter prior to matriculation. Spring term must be completed by June 15, 2026.

- Please contact us immediately if you learn that you received a questionable grade so we may discuss how this affects your admission status.
- Notify us if your plans change and you are unable to enroll in a course you listed as planned. This is important so we can confirm that new courses meet our requirement.

☐ Health clearance forms and required immunization serum titers and documentation (see Admitted Student Web Page for details)

☐ Satisfactory background check from PreCheck, Inc. (see Admitted Student Web Page for details)
