- And More!

WHEN:

Saturday, November 2, 2013 from 9:00 am to 12:00 pm.

WHERE:

LBCC Lebanon Annex
44 Industrial Way, Lebanon

WHAT SHOULD I BRING WITH ME TO THE EVENT?

- If you have questions regarding your Medicare plan, bring the letter you received this fall about your insurance benefits. A SHIBA volunteer can review the letter with you, and highlight any changes being made to your insurance plan.
- If you would like a complete medication review, please bring in all of your medications OR a complete list of your medications including the name and strength of the medication, how often you take the medication, and how the medication is administered. Please also bring in any over the counter drugs, vitamins, and natural medications you may be taking.
