What's Happening in Institutional Research & Effectiveness (IRE)?

- Juan Ramirez (IRE Director) will be presenting *IR Strategies for Meeting the ALO's Data Needs* at the Academic Resource Conference in San Diego, CA on April 2017.
- Carl Todaro (IRE Program Analyst) just celebrated his 5 years at WesternU and will be attending the Ellucian Live conference in Orlando, Florida to learn more about changing technology and it's role in higher education.
- The steering committee overseeing WSCUC reaffirmation is in the process of completing drafts of our institutional report. The committee will be seeking feedback from the WesternU community on the full report in July.
- IRE hosted a program review workshop for MSBS and MSMS in January.
- MSPS's action plan will be reviewed by Academic Standards and Policy Committee in March.
- CGN's action plan will be submitted in March.
- Check out the [academic outcomes](#) site for recent updates.
