What's Happening in Institutional Research & Effectiveness (IRE)?

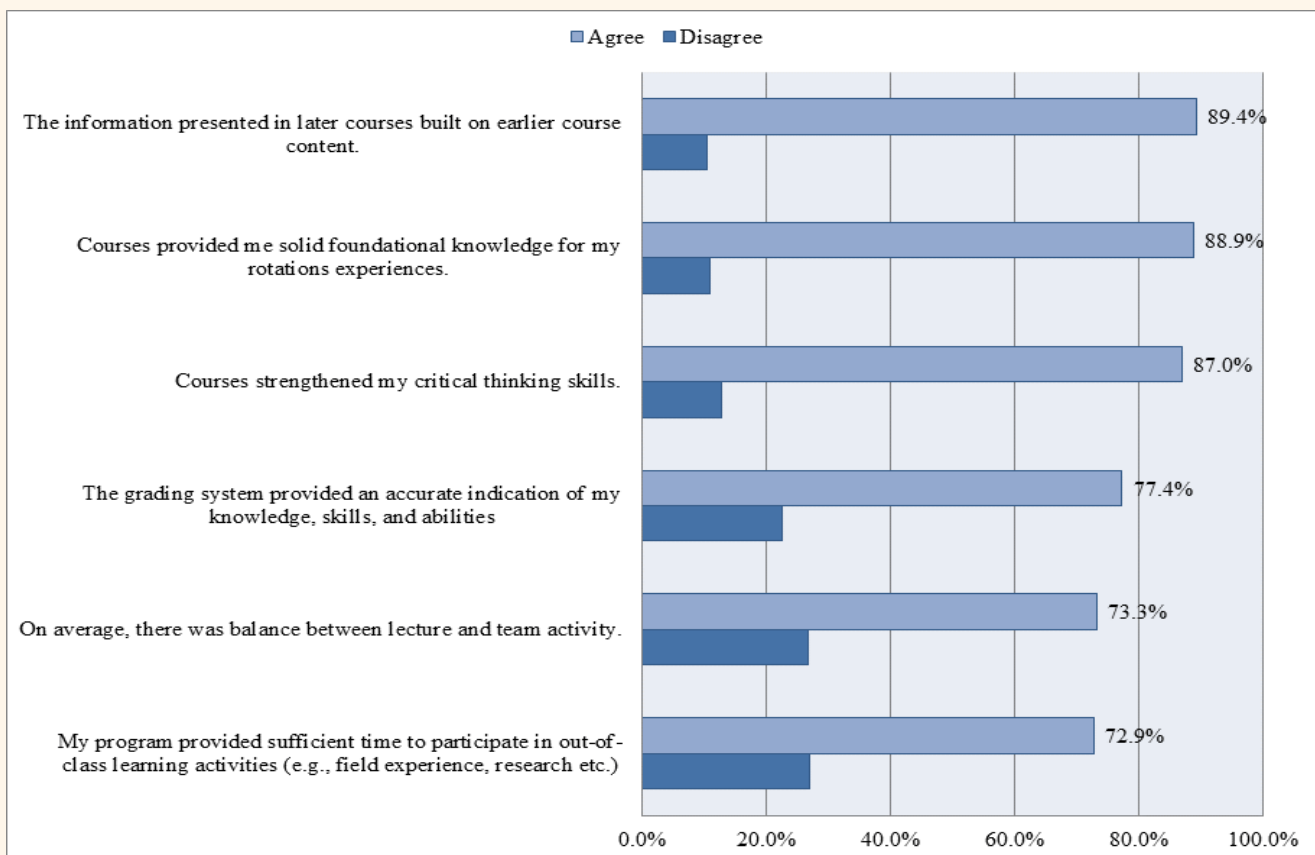

- The 2017 WSCUC Western University of Health Sciences Institutional Report was submitted in September. **Many thanks to the Steering Committee for overseeing the construction of the reaffirmation report and to the WesternU community for their input.**
- Juan Ramirez will be presiding as CAIR President at the upcoming 2017 California Association of Institutional Research conference (November 8-10) in Concord, CA. In addition, Satoko Siegel will be presenting "How the IR Office can Support Program Review."
- MSMS and MSBS are both currently undergoing program review and will be hosting site visits in 2018.
