Western University College of Optometry Invites you to attend a Legally Mine Presentation

Date: October 29, 2012
Speaker: Daniel J McNeff, BS, CFP
Time: 5:30PM
Place: Western University of Health Sciences

Health Education Center (HEC), Lecture Hall 1
309 E. Second St., Pomona, CA 91766-1854

Registration Required: please go to our secure website at
www.westernu.edu/optometry-continuing-education
The presentation is all about proper structuring of medical professionals legal entities (Living Trusts, Family Limited Partnerships, C and S Corps and LLC’s) to accomplish the following:

- Understanding correct legal deductions of each entity and correct partnership structuring for lawsuit prevention and tax reduction.
- Structuring their practice for maximum tax reduction and malpractice protection and prevention.
- Maintain the focus of their medical practice on improved patient care rather than malpractice defense.
- Ensure 100% protection of their personal and professional assets from lawsuits through applied risk management.
- Reduce malpractice insurance costs and taxes.
- Keep focus on patients (not legal defense, taxes, etc.) keeping medical practice costs down. Keeping patient costs down.

**Registration Fee: $25 Per Attendee**
**Spouses Encouraged to Attend**
**Light Dinner Provided**

Registration fees and donations will support the Neuro-Optometric Rehabilitation Association (NORA) Student Club, an interprofessional club dedicated to developing student interest and awareness of the healthcare team involved in the rehabilitation of patients who have Acquired Brain Injury (i.e. car accident, strokes, combat blast injury, and concussions).
